Onboard Courier Services

NEW SERVICE:

OBC Consolidated by CBL Norway:

Routine Onboard Courier Service

Procedure:

The shipments must be available in Stavanger (SVG) no later than 2 days before planned departure.

The sender:

- May arrange this at their *own expense*, or alternatively CBL can arrange this.
- Is responsible for customs export / import documentations.
- Is responsible for arranging insurance of their consignment.

CBL will:

- Receive and consolidate parcels.
- CBL will not open or make changes to your parcel. It is important that your quoted dimensions are correct.
- Execute the consolidated shipment from Stavanger to the final destination.
- Arrange for the safe transport of individual shipments for local delivery ("last mile").

Product:

CBL Norway standard pack includes the following attributes:

- **Pricing:** The stated from-price applies to shipments up to 40 × 30 × 15 cm and 5 kg. Larger or heavier shipments are subject to quotation.
- **Delivery:** Estimated delivery is the same or next day, subject to availability and transport schedules.
- **Standard service:** Transport by onboard courier as checked baggage.
- **In-cabin transport:** Available upon request and subject to airline approval.
- **Service scope:** CBL coordinates the shipment from collection to final handover.
- **Handover:** Local delivery or airport handover upon arrival, as agreed.

Nice to know:

It is of course possible to ship other package dimensions and weights. It is important that the correct outer dimensions are provided. The transport method is to consolidate packages into crates, with a maximum volume and inner dimension limitations to meet.
